

LRIWS - Recessed Shelf

- Ligature resistant
- Vandal resistant
- Hygienic and easily cleaned
- Proven long-term product life
- Anti-microbial solid surface

DESIGN

The Intersan behavioral healthcare shelf is made from highly damage resistant composite solid surface polyester resin. Manufactured as part of Intersan's behavioral healthcare suite of products, the LRIWS-shelf is tested to the highest standards and specifications.

The LRIWS is intended for recessed installation. Mounting hardware (except wall anchors) is provided.
