#### Material & Construction

The bowl of the sink and the baby changing table surface are made from solid surface. Solid surface is a composite material of acrylic polyester polymer resins and aluminum trihydrate fillers. The material is resistant to stains and burns and complies with ANSI Z124.3. Solid surface cleans easily with Scotchbrite®, household cleaners or fine grit sandpaper. Solid surface is available in 6 colors.

The combo includes heavy gauge stainless steel support brackets. The Streamlav View is supplied with one chromed 1 1/4" brass grid strainer.

#### Standard Equipment

Countertop and baby changing table in anti-bacterial solid surface material, steel mounting brackets, optional stainless steel skirt, tail piece, safety strap, two purse hooks and warning sticker.

#### Configurations

The baby changing table option can be attached to all Streamlav View lavatory systems. The baby changing table can only be attached to both the left or right side of the lavatory.

#### LEED Compliance

The Streamlav View contributes to meeting LEED requirements in the following categories:

WEp1 - Water Efficiency  
 WEc3 - Water Use Reduction

AquaDesign's faucets have a standard water usage of 0.5 gpm.

#### Application

The Solidwave View is intended for handwashing only. It is not to be used to dispense water for human consumption either by drinking or use in the preparation of food or beverages.

#### Warranty

Warranty: 5 years limited warranty on material and 1 year limited warranty on components.

#### SAMPLE SPECIFICATION

Fixture shall include an integral baby changing table with safety strap. The baby changing table shall be 40" by 21-1/2" and include two integral hooks. The baby changing table shall be made of anti-microbial solid surface

Can only be ordered in combination with a Streamlav View Lavatory System

Rough-In Dimensions

**WARNING:** Be sure to use anchors with a pull out strength of 1000 lbs. Additional reinforced backing behind the wall might be required to properly mount the baby changing station and lavatory system.

**WARNING:** Every Solidwave High-Low with the baby changing station option is supplied with a warning sticker. It is very important that the sticker is placed right above the baby changing station. Failing to do so might result in serious injury.

**WARNING**

**WARNING** Never leave child unattended.

**WARNING** Avoid serious injury from falling or sliding out. Always use restraint.

**WARNING** Designed for infants only. Age up to 3.5 years and weighing less than 50 lb. Keep one hand on the child at all times.
